Eleven more DFO Essendon retailers to reopen tomorrow after last Tuesday's tragic accident

DFO Essendon will reopen 11 more stores in the Homemaker Centre tomorrow on Thursday 2 March, following additional works and inspections after last Tuesday's tragic accident. This also included restoring power to the building.

The Spotlight store will remain closed until further notice as it requires additional works due to the extent of the damage to the store.

Vicinity Centres would like to thank our retailers and the wider community for demonstrating understanding throughout this devastating time for our DFO Essendon community, and acknowledges the hundreds of community members, retailers and team members that have paid their respects at the dedicated area set up at the centre in the past few days.
